STUDENT STRATEGY GROUP PROFILE

<b>Ronald Skora</b>
Graduate Student in Mass Communications
<b>Graduation:</b> Spring, 2008
<b>Skills Courses:</b> TV Journalism
<b>WISH LIST:</b> To find an internship in TV news. After graduation: To be a television news journalist anywhere.

As part of the graduate degree requirements, I have taken classes in television news writing, broadcast reporting, and news package creation. I enjoy interviewing people, and looking forward to their various responses.

Unlike others, I am bringing an engineering background to journalism. I enjoy a variety of interests such as photography, traveling, and railroads.

I have reported from Louisiana, Mississippi, and Washington, D.C., and brought back a four-part news segment from the Gulf Coast.

### **Skills:**

- Software Applications – Microsoft and Adobe suite, including Video editing using Adobe Premiere Pro
- Software Programming – HTML, XML, SQL, Visual Basic
- Experienced Photographer, both digital and video
- Personal View - I enjoy interviewing and creating news packages.

I am willing to cover any news story anywhere at anytime.
