One of America's most distinguished broadcast journalists will be here to celebrate 50 years of SJSU Excellence in Radio/TV Journalism education.

## **Why: To mark a half century of great accomplishments!**

SJSU is proud to recognize and honor hundreds of former RTVJ students now working as respected journalists, media executives and business people all across the world!

## **How? Register today online: [www.rtvjsjsu.com](http://www.rtvjsjsu.com)**

Go online, sign-up and purchase RTVJ Reunion Dinner tickets. Your responses on the reunion questionnaire will guide student and faculty event planners as they develop on-campus Reunion Week activities for all returning alums.

During **RTVJ Reunion Week, October 8 – 12<sup>th</sup>**, alums can “**Guest Professor**” in one of our advertising, public relations, broadcast, newspaper, magazine and photo-journalism classes, talk about timely issues and concerns, share professional experiences, and offer SJSU students media insights and career advice.

**Donations:** Online anyone can offer a tax deductible donation for the Radio & Television Journalism degree program. Your kind assistance will help our students who come from diverse cultures and life experiences. Many must work two or three jobs to pay for their college education. Donations also enable new technology upgrades in RTVJ which help SJSU students stay competitive in the ever-changing media job market.

**Come back early and enjoy a full week of special events on campus!**
